

# Max Shalom

Student at the Yeshivah of Flatbush

Brooklyn, NY  
(917) 291-4902  
[max\\_shalom121@flatbush.org](mailto:max_shalom121@flatbush.org)  
[maxshalom.com](http://maxshalom.com)

## EDUCATION

### Yeshivah of Flatbush Joel Braverman High School

Expected Graduation: June 2021 | GPA: 90.5

**Relevant Coursework:** Introduction to Coding, AP Environmental Science, AP Macroeconomics, AP Microeconomics, Regents Algebra I & II, Regents Geometry

## COMMUNITY SERVICE

### Chesed Mission — Israel

During my school's winter break, I joined a trip for 7 days to give thanks and support to the people of Israel. We visited hospitals, daycares, food pantries, schools, and centers for special needs children, gave out thank-you packages to soldiers, and did other *chesed* - the Hebrew word for good deeds.

## WORK EXPERIENCE

### ACE Mentorship Program - Team 21, New York, NY — Intern

NOVEMBER 2017 - MAY 2018; NOVEMBER 2018 - MAY 2019

- Worked with Mechanical, Electrical, and Engineering (MEP) firm, JB&B, to design a new building for the Ellis Island Ferry Terminal in Battery Park from the MEP viewpoint of the project
- Worked with Structural Engineering firm, Thorton Tomasetti, to outline a column placement and beam layout for a fitness center commissioned to be built as part of Cornell Tech's brand-new campus on Roosevelt Island

### Ultimate Sports Camp, Asbury Park, NJ, Brooklyn, NY — Junior Counselor, Coach

MARCH 2017 - AUGUST 2018

- Supervised the daily activities and used problem-solving to help assist campers' problems, such as the social, emotional, and physical well-being of the campers
- Seasonally worked Sundays as a referee in a roller hockey league for various aged kids and Fridays as a Coach for a baseball team

## PROJECTS

### Allura Imports Inc. — Website

Currently designing and developing an intuitive website, launching in the coming months, for Allura Imports Inc., a children's clothing manufacturer. The website includes animations, an email newsletter, and contact form, all developed by myself with industry-standard developer tools.
